**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) On December 18, 2012, the Compensation Committee of the Board of Directors of Comfort Systems USA, Inc. (the "Compensation Committee") adopted the 2013 Senior Management Annual Performance Plan. The Named Executive Officers in 2013 will be Mr. Brian E. Lane, President and Chief Executive Officer; Mr. William George, III, Executive Vice President and Chief Financial Officer; Ms. Julie S. Shaeff, Senior Vice President and Chief Accounting Officer; and Mr. Trent T. McKenna, Vice President and General Counsel.

*2013 Incentive Compensation Plan for Executive Officers*

The annual incentive compensation for the Named Executive Officers is provided under a shareholder approved plan intended to satisfy the requirements for deductibility of performance-based compensation under Section 162(m) of the Internal Revenue Code. The plan consists of two distinct elements. The first element of the plan rewards the senior executives of the Company for obtaining profitable results as well as certain earnings per share ("EPS") target thresholds (the "Objective Bonus"). The second element of the plan rewards the achievement of certain performance metrics individualized for each executive (the "Subjective Bonus").

For the Objective Bonus, the Compensation Committee has set a bonus range based on a target that is correlated with the Company's annual EPS. The range for the Objective Bonus for Messrs. Lane and George will be 20 percent to 150 percent of 90 percent of their respective annual base salary. For Ms. Shaeff and Mr. McKenna, the range for the Objective Bonus will be 20 percent to 150 percent of 40 percent of their respective annual base salary. The Objective Bonus is 0 until a certain EPS threshold is met; it then scales from 20 percent to 50 percent on a straight-line basis as it moves from 60 percent of the EPS target to 100 percent of the EPS target. Should the Company's performance exceed the EPS target, it then scales from 50 percent to 150 percent on a straight-line basis as it moves from 100 percent of the EPS target to 230 percent of the EPS target. With regard to the Subjective Bonus, each executive is reviewed individually and at the sole discretion of the Compensation Committee is awarded a bonus within a set range of potential outcomes based on a percentage of annual base salary. For Messrs. Lane and George, the range is 0 to 100 percent of 10 percent of annual base salary; for Ms. Shaeff and Mr. McKenna, the range is 0 to 100 percent of 20 percent of annual base salary.
